Payment Instructions

All payments and reimbursements to GAP Community and to the team are to be made no later than the start of the training. The only exception to this is any follow-up Trainer travel and/or meal expenses the Trainer(s) covered themselves that will need to be reimbursed within the week of receiving the travel receipt from them.

Trainer & Coach Fees

Contact your Coach and Trainer(s) directly about how they prefer their fees.

*A Sponsor is not responsible for the fees or expenses of an Apprentice Trainer. Should the Sponsor choose to support the Apprentice Trainer through housing help or a gift, they are welcome to, but it's not expected.

**For trainings that typically have two Trainers/Facilitators (Reveal and Fusion), even though two Trainers may be the norm, should only one Trainer end up being at the training, they would receive the full Trainer fee because they are doing double the work.

Administrative Fees

The following areas fall under "Administrative fees," which can all be paid by going to www.gapcommunity.com/adminpayment and leaving a memo/note indicating what it's for:

- \$150 Admin fee - standard for all trainings
- Book fees - \$15/participant for *Feed Your Hero* books for TL Trainings
- Trainer travel and meals that were not purchased directly by the Sponsor and need to be reimbursed to GAP Community. Should any such expenses need reimbursing, the Trainer or Director of Communications will send the travel receipt to the Sponsor by email no later than 1 week following the training.
 - Airfare / Airport parking for Trainer's vehicle (if needed) / Gas money
 - Rental car or Uber/Lyft expenses (if needed)
 - Breakfasts not already covered by the Sponsor during the training days
 - Any hotel parking expenses

Financial Application

On exceptional occasions, the Sponsor may choose to partially scholarship one or more of their participants in cases of extreme need. After the potential participant has taken 100% ownership for getting creative in covering most of their registration cost and (again) in extreme cases, this financial application link may be given. It will auto-fwd to the Director of Communications who will then forward it to the Sponsor and Coach to discuss whether or not to move forward with a partial scholarship.
